

# Loading Money & Passes onto Your RRFP Card

## E-PURSE – YOUR “ELECTRONIC PURSE”

### How does E-purse work?

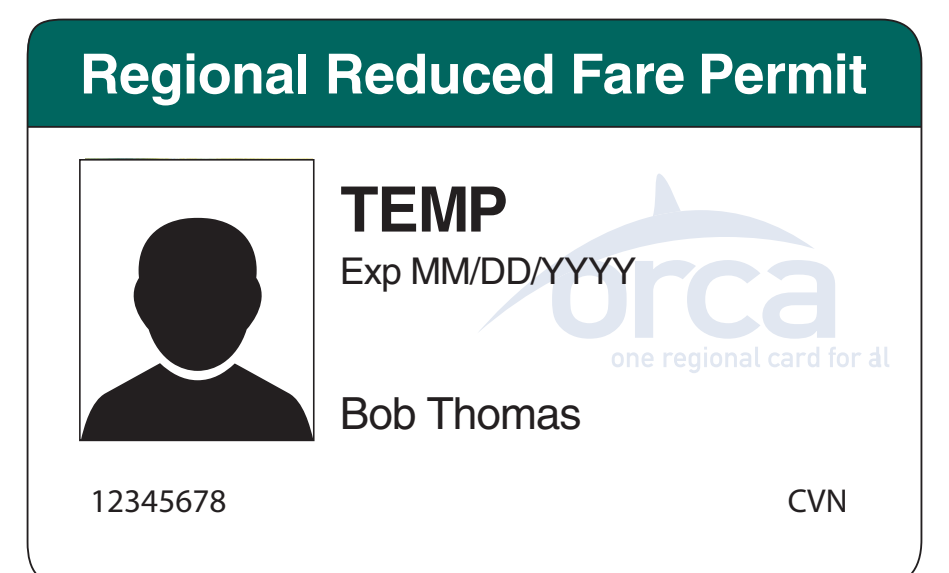

- Load any amount, from \$5 to \$300, on your RRFP card.
- The money stays on your RRFP card to pay your transit fare.
- E-purse funds don't expire! The money stays on your card until it's used.

## ORCA HAS OPTIONS!

### Monthly Passes

- Save money and get unlimited travel on transit services for a calendar month.
- Great option if you use transit 5 days.
- The cost of an unlimited monthly transit pass is based on the fare you normally pay:
  - For RRFP, buy a \$36 monthly pass
  - If the fare for your trip costs more than the trip value of your pass, use the E-purse to pay the difference.
